 Immediate Past President;
 Rich Cheeseman 856-589-4195
 News Letter Editor
 Ed Neumann 856-323-8466
 E-Mail: eneumann2@yahoo.com

We did not have a business meeting during this gathering, thus there are no formal minutes. The plan for this meeting was to have our Entertainment Program first, and then follow up with the business meeting. Instead of our normal meeting at Cross Keys Airport, we met at Ed Carter's Star Cross Airport, where one of our members, VP Herman Junkerman, did a presentation on **How to Fly a Powered Parachute (PPC)**. Members were invited to arrive at 7:00 PM, a little bit earlier than our usual 7:30 meeting time. This allowed more daylight time for Herman to get through the complete set-up and demo flight of the powered parachute plane before darkness. Herman talked a lot about safety procedures, and then went through the actual process of laying out the chute, clearing all the lines and explaining every detail as he went along. After warming up the engine, Herman did a takeoff, a few flybys, touch and go's and finally a landing. Good job Herman! By the time Herman was finished with his presentation, it was dark and getting late for those who still have to go to work the next day, so our President, Howard Bates, suggested we scratch the business meeting, since there wasn't anything important to handle anyway, and all in attendance agreed.

Submitted By: Bill Varnes, Chapter Secretary ✍

CALENDAR OF EVENTS

AUGUST 12 ----- ATLANTIC CITY AIRPORT
 VISIT TOWER - SPACE IS LIMITED - FOR INFORMATION
 CONTACT TOM McDOWELL - 856/ 358-7351

Bill's Adventures

GRIMES AIRFIELD & MUSEUM VISIT

By Bill Varnes 7/11/09

The first Saturday of the month gathering for Chapter 216 members was moved up to July 11th, so as not to interfere with the July Fourth holiday weekend. It was scheduled to be a trip over to Chapter 240's Famous Pancake Breakfast at New Garden Airport. This is always a good trip and I personally have been there many times. But, with all due respect to Chapter 240, this time I decided to go somewhere else. My good friend, Charlie Eshleman, had flown up to Grimes Airfield with Whitey Lance a couple of years ago and he raved about how neat the place was. He even wrote a story, which was published in the newsletter, and ended with the statement, "I want to go again".

Due to the weather, distance and my arthritis acting up, there was no way I was going to be flying my Kolb UL there, so I called Charlie to see if he would be interested in a road trip to Grimes. Of course his answer was YES! And then, just as I was about to leave home, Tom Coyle called me to ask about going to New Garden and I said, hey, how about going to Grimes with Charlie and me. You guessed it. His answer was YES!
