SOUTH JERSEY CHAPTER 216

A Tax Exempt 501(c)(3) Non Profit Organization

CHARTERED NOVEMBER 3, 1964 INCORPORATED MAY 26, 1966

New (and fun) for this year, we need your vote to decide on a filling for our EAA 216 celebration cake. So vote for your choice (chocolate fudge, raspberry, or hazelnut) and email it to me. I will announce the winner at the dinner...unless you want to be surprised.

Dinner will be, Roast Beef, Chicken Marsala or Grilled Salmon with all the fixin's. And don't forget we are having a special drawing for the spouses.

On 3/21 we will have breakfast at Geets diner @ 8:30 then to the Cooper Building by 10:30 for a regular meeting.

See you there!
Prez.

President's Message

-Dan Marchetti

The March 18th Chapter 216 Awards Banquet, at Terra Nova in Sewell, is coming up fast. Tickets are \$28 per person in advance (\$33 at the door).

If you already sent in your ticket order, thank you.

If not, see Awards Banquet registration form at the end of this Newsletter and mail your check, payable to EAA 216, to:

Dan Marchetti, 451 Whig Lane, Glassboro NJ 08028.

We will be giving the Ken Mancus Award to a deserving member who works hard to develop and plan programs for our chapter. Then there's the Prop Award, given to members who build and fly their own airplane.

“Tale” Wheel View -Tom McDowell

Hey Gang. Lot of stuff happening since we last got together back in November. Yea, that's the last time we had a meeting. Lots of stuff has happened since then. Prez. Dan will “esplain.”

-I came across this web site. It may be of some help to ya'll. Check out RV Airspace.com

There are many sites, but this is one I found provided by a fellow member of the Kitfox community.

-Dan and I spent a little time with John Lewis on a cold messy day in February. We went to the quonset hut hanger. John has a good idea in having a “Fly In Flea market.” I know our brother chapter 287 in Woodbine did this a few times. Don’t know how successful it was. John was showing us a bunch of stuff he has stored.

I’m sure many of us have ‘stuff’ that might be worthy of a sale. Give it some thought. Doesn’t matter “what’cha” got, AN nuts and bolts, wiring, cloth, fiberglass, tubing, sheet metal, gas tanks, wheels, get your list together. More on this real soon.

“Never let an airplane take you somewhere your brain didn’t get to five minutes earlier.”

-Kudo’s to Mark for putting together a Good Newsletter. He had a very tough act to follow. Ed Neumann did a

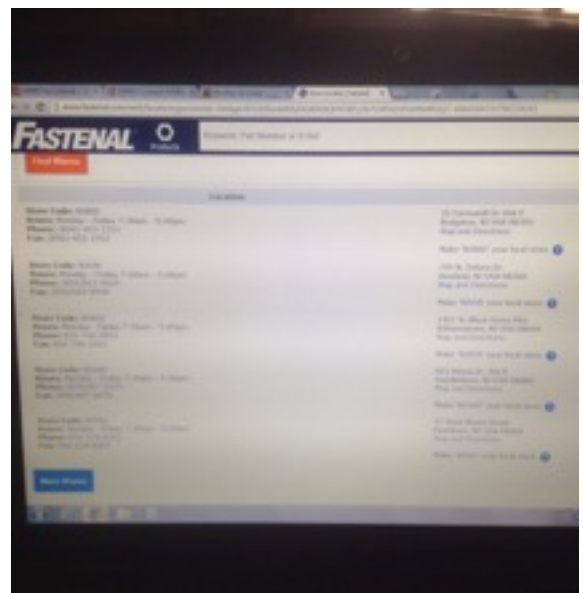

great job on our newsletter for a long time. It has been a job where you are sometimes the only one in the firefight.

-Last note: Don’t forget the Awards Dinner at Terra-Nova on March 18th. Get your money to Dan and save some money or pay at the door for some additional bucks. Hope to see you’all there. Always a great time.

-**Need AN hardware?** Fastenal has it. I needed an AN bolt. The cost was just over one dollar at one of our best aircraft parts supply store, however, the shipping charges were about four time the cost. I started a google search. In all the items that popped up, the Fastenal site was in the lineup. I stopped at my local Fastenal store and asked the young gentleman there. He said “yes” they do carry them but would have to order it. The cost?- \$.80. They have a lot of good quality products in the store. Check it out.

2015 DUES ARE DUE!

Please see the EAA 216 dues slip attached to the end of the newsletter.

Dues only \$15.00!
